We're happy we can offer you the professional services of a national shipping company. The UPS Store in Waterloo and Cedar Falls, IA will be handling the packing and shipping for all our parcel lots. They will collect your merchandise at the auction site, move it to their shipping center and pack and ship for you. Please review this information before you bid.

The following packing service charges are examples of the costs to pack your item. The packing charge includes the cost of the box, packing material (bubble wrap, foam peanuts) and packing service. **These costs do not include actual shipping costs and declared value of the item.** These prices are listed only to give you a helpful idea of the pricing scale, not to serve as an estimate for your total shipping cost.

There will be a minimum packaging charge of \$5.25. You are automatically covered for the first \$100 of declared value at no charge. If additional coverage is needed, there will be an additional fee. In addition with the UPS Store, you will be covered under their Pack and Ship Program. Contact the UPS Store or visit their website for additional information on this program.

The items that are Custom Packed could be of high value of \$1000 and up, or upon evaluation of the objects, they will need extra packing. The high value items of \$1000 or more will also be sent with an adult signature required, so that they are not left on a front door step.

1. Remember the prices at the top are only for packaging services and materials; actual shipping and declared value coverage charge on materials will be added.
2. Shipping and handling charges are not subject to refund.
3. To speed up your shipping, payment for shipping charges to The UPS Store may only be made by a credit/debit card. They accept American Express, Visa, MasterCard & Discover.
4. Shipping larger items will be handled by either UPS Freight or a blanket wrap carrier.
5. We try to have everything shipped within 2-4 weeks from the time the item is paid for and shipping confirmation is received. Do not contact the shipper until your invoice has been paid to Rich Penn Auctions. Once it has been paid, please allow time for your items to be prepared for shipping. When your item is shipped, you will be given online tracking information via email.
6. Your packages will be shipped by UPS, USPS, or DHL at our shipper's discretion to find you the lowest cost best delivery based on the value of your item(s). A Parcel Shipping Order Agreement (PSO) will need to be signed by each buyer before shipment.
7. We ask that you provide a street address and not a PO Box so your items can be tracked to your door. If the buyer has their own shipper account, and wants to use that account, they will need to provide The UPS Store with a shipping label and any other necessary documents (ie International). A \$5 service fee will be charged for this option. The Pack and Ship Program will not apply if a customer uses their own account.

We encourage you to contact The UPS Store #5189 directly for estimated shipping costs. Please provide lot #, dimensions, estimated weight, value and "ship to" zip code.
